

Due to the challenging nature of hosting Doors Open Winnipeg this year, there will be no printed or printable program for 2020. All of the most up to date information can be found on the [Doors Open Winnipeg website](#).

To help keep everyone safe and ensure provincial guidelines are followed, nearly every building and tour for Doors Open Winnipeg 2020 will require preregistration.

Preregistration officially opens Friday, September 4 at noon!
All preregistration will be done online.

And don't forget to plan on wearing your face mask!
